

# RED FROGS AUSTRALIA BACKGROUND

It all started in 1997 when Red Frogs Australia founder Andy Gourley (then youth pastor at Citipointe Church) hit Schoolies Week on the Gold Coast with his skateboarding mates and realised the need for a designated sober person at the massive drinking parties. Watch the full story [here](#).

## HUMBLE BEGINNINGS

From distributing 80kgs of Allen's Red Frogs lollies in 1997 to today distributing over 24 tonne across Australia, the movement started with just 17 volunteers. Today, Red Frogs is facilitated by over 3,649 volunteers throughout the year and has a primary mission of supporting young people from ages 13-30 in various party environments.

Red Frogs Australia can be found (in a normal year) at 11 schoolies locations across Australia and Fiji and is now also found across the globe in the USA, New Zealand, Canada, South Africa, Zimbabwe and the UK through the Red Frogs Global Chaplaincy Support Network (related entity).

## RED FROGS PROGRAMS

### SCHOOLIES | EDUCATION | UNIVERSITIES | SPORTS | FESTIVALS | BOARDRIDERS

Red Frogs is one of the largest harm minimisation programs for young people in Australia. Our programs are a direct response to our mission: to combat the Aussie party culture that is largely dominated by alcohol and other substances, often leading to dangerous and life-altering behaviours for young people.

The aim of these programs is to provide early intervention strategies that reduce the risk of harm. This includes being a positive peer presence in alcohol-fuelled environments where young people gather, educate young people on safe partying behaviours, and promote and provide alcohol-free and/or diversionary activities that engage young people in these environments.

## SCHOOLIES/LEAVERS

During Schoolies 2020, over 700 Red Frogs volunteers are gathering in 14 locations across Australia to provide:

- Positive peer role-modelling by being a sober friend to schoolies in hotels and on the streets
- Thousands of pancake cookups to ensure schoolies are well fed each day
- Safe walk homes for young people back to their accommodation
- Answer calls on the Red Frogs 24/7 Hotline
- Distribute 8 tonnes of Allen's red frogs lollies

School leavers will be able to find Red Frogs at the following locations: Airlie Beach, Tinaroo Dam, Agnes Waters, Yeppoon, Rainbow Beach, Noosa, Greater Sunshine Coast, Gold Coast, Byron Bay, South West and Victoria.
